AI Artist and AI Content Creator with training in photography and experience in product imagery, editing and digital marketing. I create compositions, AI-generated images and branded content, from concept to delivery. Open to employment and B2B collaborations.

Skills and tools

AI imagery: composition, generation, retouching and prompts using photographic parameters. Gemini (Nano Banana), Midjourney, DALL-E, Stable Diffusion and ChatGPT.

Visual production: product and portrait photography, lighting, shoot direction, Photoshop, Lightroom, CapCut and Canva.

Marketing and social media: strategy, editorial calendars, reels, stories, copy and community management. Meta Business Suite, Meta Ads and Amazon Seller Central.

Professional experience

XZelenzia

Co-founder, manager and AI Visual Creator | Nov 2024 - Apr 2026

- Created AI-generated imagery and retouched images for products, visual identities and campaigns for own brands on Amazon FBA.
- Designed packaging, photographed products and created Amazon listings. Managed social media strategy and Meta Ads campaigns.
- Managed suppliers, imports and logistics; coordinated design, photography and communication.

Fotografía Fenutria

Freelance photographer | Apr 2021 - Nov 2024

- Produced event and portrait photography: planning, lighting, direction, image selection, retouching and delivery.
- Coordinated with videographers, make-up artists and stylists. Rated 5.0/5 on Bodas.net.

Konecta Group

Call centre agent | Jun 2018 - Mar 2021

- Provided customer service and resolved queries as part of a team.

Branded content creation

littlefenu | Parallel activity. Produced concepts, styling, photography, video, editing, copy and published content. Created content for Lancôme, Shein, Pixi Beauty, Amazon, Prozis, Druni and Sprinter. Built an Instagram community of 74,000 followers.

Education and training

Vocational diploma in Photography | IES Néstor Almendros, Tomares | 2012 - 2013.

Coursera: composition and digital post-production, photography techniques, camera control and prompt writing.

Advertising regulation for influencers | Autocontrol / Influncert / AdEthics | 2025.

Languages: Spanish native; English B1.
